Please explain the reason for the return :

Inspection Costs :

By signing below, you agree to a **minimum inspection charge of \$55.00** :

A - When a product is under warranty or out of warranty and found to be working well.

B - When the estimated repair cost is refused after the inspection of an instrument.

C - When an instrument can not be repaired.

In cases **B** and **C**, if a new replacement instrument is purchased at GENEQ, the inspection cost will be waved.
